Nestled against the stark, beautiful backdrop of a mountainside and a peaceful, private fish-stocked pond, the V Villa Tara is a mountain contemporary-style luxury villa that truly captures the rugged elegance of Aspen. Both the exterior and interior of this magnificent villa are reminiscent of a mountain ski lodge of yesteryear, combining elements of teak with marble and other luxurious décor inside and out. A great room features a stately, two-story fireplace and an open floor plan that connects the spacious, well-appointed living, dining, and kitchen areas. Panoramic windows offer a view of Aspen's natural beauty from inside a cozy, inviting atmosphere.

Upstairs, 4 comfortable bedrooms feature total privacy and relaxation. The master bedroom features a sitting area and fireplace. Outside, there are plenty of amenities as well, including an outdoor Jacuzzi, access to the pond, which doubles as a private, illuminated ice skating pond in the winter, and a 700 ft Roaring Fork River frontage, which makes for world class fly-fishing.
