

VILLAZZO V VILLA SERVICES

Villazzo's "V" Villas are a cheaper villa rental option compared to our full-service VillaHotels. While VillaHotels offer the ultimate luxury vacation experience, pairing the finest luxury villas in the world today with authentic five star hotel services and amenities, Villazzo's "V" Villas lack these comprehensive services and luxury details. If experiencing the enchanting, hotel-like experience of Villazzo's VillaHotels is not important to you, then one of our "V" Villas is a sensible value-priced option.

"V" Villas are a hand picked selection of the best "traditional" luxury villa rentals in each of Villazzo's exclusive resort destinations. They are owner-managed, but allow for adding some Villazzo services "a la carte"; thus allowing guests to tap into the expertise of Villazzo's local operations.

For a true Five Star Hotel Experience, be sure to book a Villazzo "VillaHotel".

In all "V" Villas, the following is included in your rate:

Check-in and check-out with local Villazzo staff

In all "V" Villas, the following is available at extra charge:

Check-Out Cleaning Service	300 (mandatory)

Depending on your Property choice, it might be possible to upgrade a "V" Villa to a VillaHotel for the duration of your stay. Please ask your Villazzo travel specialist for details.
