One of the unique qualities of Miami is its combination of the ultra-modern with the nostalgic past. In no other place can the Art Deco motifs of the 1920s coexist with the clean, cool lines of contemporary design. V Villa Helena, with its alabaster façade and precise, contemporary exterior, reveals an interior decorative flair that captures the essence of grand luxury at the turn of the 20th century.

The large, teak-framed windows of the villa reveal the splendor of city views, while bedroom terraces invite you and your guests to feel the warm, embracing pulse of the urban Miami lifestyle. Five + 1 bedrooms and bathrooms, two stately dining rooms, a magnificent living room, marble floors, and custom chandeliers all combine to offer guests at V Villa Helena a glimpse into the radiant extravagance of yesteryear.

Outside, a private courtyard, pristine in-ground pool, outdoor Jacuzzi, and barbecue provide the ultimate in relaxation and entertaining for guests. And with South Beach only ten minutes away, V Villa Helena truly places you in the heart of Miami's style and elegance.
