There is something about the sun and sandy beaches of Miami that inspire luxury and contemporary to come together in perfect harmony. No luxury villa in Miami Beach personifies this more than VillaHotel Valentina. This spectacular 6 bedroom, 6 bathroom waterfront villa boasts a commanding bayside view of Miami, which pours in from almost every vantage point of its large, panoramic windows and multi-level terraces. A stunning vanishing-edge pool subtly blends into the bayline horizon for days of outdoor relaxation under the warm Miami sun.

The clean contemporary lines of the VillaHotel Valentina's exterior gives way to an interior that is a symphony of design: an atrium ceiling and open floor plan creates a sprawling living and dining area, complete with one-of-a-kind furniture pieces, exquisite modern art masterpieces, and an ultra-modern gourmet kitchen. Upstairs, 6 roomy, magnificent bedrooms pamper guests with an enriching balance of modern design and comfort, with ultra-contemporary en suite bathrooms and amazing views of the bay.
