Stay at V Villa Dolce Vita and instead of going to the beach, you can live there. The villa also has the added advantage of being set within a gated community ensuring total privacy. Dolce Vita is both extremely attractive and highly unusual. The front garden is an al fresco dining kitchen. The wide, split-level back garden has sun loungers, sofas and a dining table with palms and bamboo providing shade. Steps lead directly onto the fine sandy beach.

Inside the V Villa, the open-plan ground floor has three levels. The bar/kitchen overlooks a raised dining area that leads down to a lounge with French doors to the gardens. Classic, contemporary, style superbly combines cool, crisp, lines with oversize soft sofas. The first floor master suite has a balcony overlooking the beach and the five bedrooms cover every type of sleeping arrangement. V Villa Dolce Vita is one of the most attractive villas in Saint-Tropez. Brilliantly positioned and furnished with great taste, comfort and fun in equal degrees.
