The most impressive villas in Saint-Tropez are the ones that manage to bring the beauty of the outdoors inside. Few villas accomplish this as well as “V” Villa Solea. This magnificent 5 bedroom, 5 bathroom villa boasts a charming, traditional exterior with an incredibly private, well-developed garden, complete with winding pathways, a pristine swimming pool, sunny terraces, and covered outdoor dining area with barbeque. Throughout the property, “V” Villa Solea commands an exceptional view of the Saint-Tropez countryside.

Inside, Solea features an innovative open floor plan that allows guests to connect with the outer gardens around every turn. A living room features a central fireplace and two fully retractable sliding doors on each side, opening the room wide to the gardens. The gourmet kitchen and dining areas, as well as the spacious bedrooms and spa-inspired en suite bathrooms all feature a bright modern décor, with sunny, inviting windows that let plenty of light into the villa throughout.
