A palatial design layout and a mix of fascinating aesthetics and motifs make “V” Villa Victoria one of the most intriguing beachside villas in Saint-Tropez. This 7 bedroom, 7 bathroom retreat boasts a sprawling, private exterior, marked by traditional and Romanesque aesthetics as well as a litany of impressive features, such as an expansive swimming pool, fully equipped outdoor bar, barbeque, and dining areas, and captivating fountains, garden paths, and terraces, all with glimpses of the beach and sea. And unlike many other Saint-Tropez villas, “V” Villa Victoria is located directly on the water.

“V” Villa Victoria’s interior reflects similar design elements, with an airy, sunny open floor plan that blends classical décor with hints of modern, Asian sensibilities. A well-appointed gourmet kitchen and dining area offers luxurious entertainment options, while upstairs, the large, comfortable bedrooms and spa-inspired en-suite bathrooms pamper guests day in and day out.
